The contract for widening San Jose avenue has been let to A. G. Raisch, San Francisco contractor. Work on the project is to start in the near future. These announcements were made by assistant City Engineer R. A. Klassen at the council meeting, Monday evening.

Klassen was instructed by the council to contact Raisch and hasten the work.

A motion was made by Councilman Fahey instructing James Lang, owner of property at 429 Irvington street, to remove debris from his lots. Charred ruins of a house on the Irvington street property constituted a public menace, it was stated. The motion passed unanimously.

The street committee was instructed to investigate a request made by Dr. Rankin to paint a "no parking" sign in front of his residence.

The committee recommended a flat rate of 65 cents for car and driver and not more than four passengers, and five cents for each additional passengers—which experts had testified meant a 70 cent average.

Hello Neighbor!

HALLOWE'EN CARNIVAL HERE

LEGION AND MERCHANTS GIVE KIDS PARTY TOMORROW NIGHT

Parade, Street Dance, Free Ice Cream, Prizes Are To Be Main Features

Tomorrow night the second gala Daly City Halowe'en Carnival, sponsored by the Merchants Association and the American Legion, will swing around to bring fun, frolic and a good time to all local residents.

Kids! kids! kids! will be on hand to participate in the costume parade, to compete for prizes, to receive free ice cream and to enjoy the festive entertainment. Adults are invited to attend this affair and the street dance which is to follow.

A parade, to start at 7 p. m. on Mission street near Huron avenue, will set the program rolling. Escorted by a fan fare of bands, drum corps and uniformed units, kids in costumes will march up Mission street to the top of the hill.

Along the line of march tickets will be distributed for free ice cream, which is to be given out when the parade disburses at Hillside boulevard. For clever and other kinds of costumes, more than a hundred prizes are to be awarded kids. These prizes have been donated by local merchants and the Daly City Welfare Association.

At 9 o'clock a street dance will start on Wellington avenue between Irvington and Brunswick streets. Music by a snappy union orchestra will be amplified for dancing.

Members of a sponsoring committee from the Merchants Association and the American Legion have been working for weeks on the carnival. Detailed plans are now complete, and the affair promises to be one of the finest ever staged in the bay area.

Cleo Miller, program chairman, says: "Last year's Hallowe'en Carnival was a genuine success; the one tomorrow night will be still BIGGER AND BETTER!"

LEAGUE ASKS WOMEN'S VOTE

San Francisco Voters' School Prepares For Intelligent Cast At Polls

"There are two sides to every question under the sun, but there are no two sides to the obligation of voting and voting with a knowledge of what it is all about", said Mrs. William Chipman, president of the San Francisco Center, California League of Women Voters, in telling of the work of the Voters' School at 30 Geary street, October 30 and 31 and November 2 from 10 a. m. to 4 p. m.

"This country was founded as a democracy and the only way in which it can be made one is by the rule of the majority. At present the majority does not rule. Women in California have had the vote since 1912 and have failed to redeem the pledge made by those who worked so hard for its winning.

"The San Francisco Center is making every effort to get out the vote and make it intelligent. We are asking every woman voter to go to the polls and take one voter with her. We are asking every church, club and P. T. A. unit and scores of other organizations of good citizens to help. So long as voters will not vote we are ruled by agitation, not by the wishes of the majority. We fail to be a democracy."

The Voters' School has extended an invitation to all men and women in the community and all information will be unbiased, non-partisan and free. Mrs. Jack Abrahamson is chairman of the Voters' School being conducted by the Center.

"TICK ON" TOPS 1936 LIST FOR TANFORAN RACE

Sensational Comeback Is Among Year's Turf Highlights

Tick On, whose sensational comeback is one of the year's turf highlights, tops the list of eleven nominations for the $2,500 added Half Moon Handicap at Tanforan tomorrow (Saturday), October 31. He will go postward in quest of his third straight victory and he meets an imposing array of thoroughbred talent in the mile and 70 yard skirmish.

Tick On, an 8 year old son of On Watch and Sox, has won his last two starts in the track record time of 1:11 for six furlongs. He lost his first outing by a nose to Red Wagon, whom he subsequently beat, definitely establishing his superiority at the short distance. His next two objectives—the Half Moon Handicap Saturday, and the $5,000 added San Francisco Handicap the following Saturday, are over a distance of ground and it remains to be seen if he can carry his speed this far.

Blue Boot, stakes winning star of the Earl Beezley barn, looms as Tick On's chief rival Saturday. She has been freshened up and is training in excellent style. Her victory over Primulus and Indian Broom in the $10,000 Longacres Mile marked the high spot of racing in the Northwest last summer.

Other stars in the engagement Saturday include Arson, Wacoche, Gay Edward, Grog, Lady Florise, Wildland, Slapped, Uppermost and High Image.

TWO HUNDRED PTA MEMBERS ATTEND ANNUAL COASTSIDE CONFERENCE AT PESCADERO

Delegates And Hosts Make Gala Affair Of 1936 Congress Meeting

Seventeenth District, San Mateo County, California Congress of Parents and Teachers, with a representation of 200 members, motored over the mountains to Pescadero, Friday of last week, for the annual coastside conference. This district activity is always enthusiastically attended and Pescadero High School faculty and unit members make a gala occasion of it.

The auditorium of the high school was decorated with blue and gold posters depicting the school on the coast, streamers of autumn leaves, purple cosmos, marigolds and yellow pom pom chrysanthemums, and the stage with real cedar trees made a novel forest scene. Immense golden pumpkins, fashioned as baskets, were filled with red apples and presented to guests as they registered.

Pescadero High School, according to Pansy Jewett Abbott, county superintendent of schools, is a unique institution in that it is the smallest in the county and accredited to the universities. Miss Abbott in her address explained how the Pescadero High School carries out the P. T. A. ideal in regard to the child, home and school.

Mrs. Elmer L. Miller, president, conducted the all day meeting and interspersed program numbers with inspiring talks in regard to recent policies of the state and national congress concerning safety, block booking and legislation.

Edwin F. Williman, principal, and William Johnson gave addresses of

C.D.A. To Respond To Regent Call

Local Court Will Answer Today's Challenge To Catholic Womanhood

Headed by Grand Regent Mrs. Katherine McDermott, the local court of Catholic Daughters of America is planning to answer the call sounded by Supreme Regent Miss Mary C. Duffy of Newark, N. J., to the two thousand courts and 200,000 members of the order, to respond to "Today's Challenge to Catholic Womanhood."

Plans have been announced for a great international campaign throughout the North American jurisdiction of the order to enroll 100,000 additional Catholic women and girls in the ranks of the Society. Miss Duffy has just returned from an extensive tour of the Middle West and Southern States, where she made scores of official visits, and was royally welcomed and elaborately feted by subordinate courts of the order in a score of states.

Preliminary arrangements for the great international campaign, known as "Today's Challenge to Catholic Womanhood", will be launched this week in the two thousand courts of the society in the United States, Canada, Alaska, Cuba, Porto Rico and the Panama Canal Zone.

The intensive movement will open Sunday, November 15, with a great simultaneous activity in which all of the courts of the organization will take part, and thousands of volunteer women and girls affiliated with the C. D. A. will begin their work of interviewing, acceptable and eligible ladies and girls for enlistment in the ranks of the Catholic Daughters of America.

Improvement Plans Pushed In City

Mayor Paul Selmi was authorized at the council meeting Monday night to consult an architect in regard to several major city improvements.

To remodel the City Hall or build a new one in which there will be a fireproof jail, to buy property and build playgrounds and to install a new water and fire alarm system in the southern part of the city are projects which will be taken under immediate advisement.

Architect named by the mayor was Will Toepke of San Francisco. The city plans a bond issue and 45 per cent PWA grant.

STATE SHOULD HELP IN BREEDING GROWTH

By J. W. MARCHBANK

Maryland has too many stallions, a condition exactly the opposite of that in our state. With a concerted movement under way, however, for the establishment of a California state breeding bureau, it is likely a decided change will come in the next few years. Private enterprise is doing something but it will have to be supplemented by action of the government. Millions of dollars are going into the state treasury from the take-out at the race tracks and immense sums are turned over to various organizations for improving cattle, sheep and hogs. How about improving the type of thoroughbred that is furnishing entertainment to the people?

Canter, a son of Wildair; the champion, Discovery; Ladkin, High Strung, Happy Time and others will be at stud in the next season in Maryland; it will be Discovery's first opportunity at a nursery, while the others were retired from racing some time ago. The point is there are not a sufficient number of brood mares in the Eastern commonwealth for the available sires. Out here the situation is much different, with only a comparatively few progenitors and a constantly increasing number of matrons.

I anticipate continued success for Sweepster following his removal to my Heather Farm. In fact ,I think so highly of the well bred fellow I sent a majority of my mares to his court last spring. I am giving him every chance possible to demonstrate he can be as potent in sending out stakes winners here as he was in Eastern Canada.

Efforts of a dozen or more sportsmen, north and south, to build up the breeding industry are laudable in the extreme, but with changing times this work must be correlated with systematized encouragement by the state. The people's money keeps racing going and it is due the fans to give them something in a breeding way in which they can take pride. What could be better than a state breeding bureau.

LIFE BEGINS FOR TRAINER AT SEVENTY FIVE

Tom Hollaway Can Still Show Youngsters A Few Tricks At Trade

Life begins—to get better—at 75 for Tom Hollaway, trainer of the Mrs. C. B. Irwin stable. This veteran horseman, one of the old West's few colorful characters still active, is showing the racegoers some running horses and giving modern trainers a lesson or two in plain old fashioned horsemanship.

Hollaway has sent fifteen horses postward at Tanforan to date and he boasts an enviable record of four firsts, five seconds and two thirds, being out of the money only four times. The Irwin stable doesn't house any stake horses and Hollaway's material has been far from the best—most of the gallopers being patched up platers with bad legs.

However, old Tom has a way with a horse and he works some sort of magic on their ailing legs. He makes stoppers like Instigator and Great Lover keep right on trying at the end as the results eloquently attests.

The clockers claim that Hollaway doesn't sleep because they rarely see his horses on the racetrack. He rises shortly after 3 o'clock and he is through with the morning's work before many trainers even get to the racetrack.

He is a walking guide to the Western turf, knows everyone ever connected with racing in the West and knows his horses backward and forward.

Tom's exploits would fill many volumes. He knew Jesse James, the Dalton boys and can recall thrilling days when his companions rode hard and fast and were "quick on the draw." At 75 Tom can still sit a tough horse, but he has put away the "shooting iron."

CANDIDATE AND PUBLISHER

The following editorial appeared last week in the Scripps-Howard chain of newspapers:

Candidate Knox sees the nation going to ruin under the New Deal, with insurance policies jeopardized and savings deposits endangered.

But Publisher Knox, who runs the Chicago Daily News, is far more cheerful.

Almost daily the people read and hear Candidate Knox's words of woe.

Therefore, we think they also ought to listen to Publisher Knox. So we quote from an advertisement for his Chicago paper, which he has just published in PRINTER'S INK, an advertising trade publication:

"Here in Chicago, the world's second largest market, storekeepers are getting back their pre-depression smiles. People are milling in the streets—with crisp new packages under their arms. Cash registers jingling. Trucks clunking. And, between the banks of Michigan avenue, the old 'Gold Stream' of shiny new autos is at high tide again. Chicago is showing more come-back, faster than any spot on the map!"

It would seem that Candidate Knox isn't entirely honest in what he tells the voters whose ballots he solicits, or else that Publisher Knox isn't quite honest in what he tells the advertisers whose patronage he seeks. They both can't be right.

HALLOWE'EN CAUTION

Hallowe'en is a child's night of dark but thrilling fantasy, when witches fly up to the moon on broomsticks, when hobgoblins prowl and black cats and black magic are abroad.

It is also a night when youthful pranksters hang gate-posts high on telegraph poles, smear windows with wax, leave wagon wheels and other refuse on front porches and generally disrupt the scenery.

How about cautioning the children this year to have their fun but to take care not to destroy any property. In the long run, the child who doesn't engage in destructive pranks has the most fun anyway. He has a clear conscience the next day.

One other caution. At parties gayly decorated with autumn colored paper streamers and such, there are also jack-o'-lanterns and pumpkins with candles in them. The decorations are highly inflammable. Lets be careful not to start any fires.

If we remember these things, the exciting imaginings of spooks and eerie witches performing their dark deeds of sorcery will harm no child. If we remember these things, the way is clear for all the fun and frolic that Hallowe'en implies.

SCHOOLS AT WORK

With American Education Week due to begin Monday, November 9, California schools are preparing to take part in this time honored observance, the topic for which, this year, is "Our American Schools at Work."

The thought occurs that this is a good time to banish once and for all, one prevalent misapprehension about California schools—specifically, about their financial positions. That position is secure.

Too often tax spenders cry "wolf, wolf, the schools will suffer," to earnest pleas for economy in government. They are doing it now.

Schools suffer from cries that they are constantly on the brink of financial collapse. Despite the alarmists, California considers every penny for schools well spent, and shall always provide for them liberally.

California's school system is the nation's best. It will be pleasant to remember this as America observes Education Week.

Community Chest Shows Fund Rise

With 40 more firms listed than a year ago, the establishments divisions of the Community Chest is completely organized for the campaign which opens November 9, it has been announced.

In each of 1468 firms employing ten or more persons, an employe has been designated to represent the Chest in the campaign and the workers are confident that the division will exceed the $354,369 it raised in 1935.

Opening of new businesses and increased employment in small firms accounts for the gain in the number of establishments included in campaign plans.

The substantial increase in employment and payrolls in San Francisco undoubtedly will be reflected in Chest contributions.

A better understanding among employes in regard to the work which the Chest performs in behalf of unfortunate and future citizens has been noted.

Figures announced by the state division of labor statistics show that September employment in San Francisco was 3.2 per cent above Sep-11.7 per cent and weekly earnings tember of 1935. Payrolls were up 8.3 per cent.

Our Exports Seem To Be Preferred

A recent news dispatch from Washington, D. C., that a Yokohama food canning company is exporting sauerkraut to all parts of the world, even including several thousand cases to Germany, home of kraut, is matched by a story told to Postmaster McCarthy by Major T. Talmage Taylor, of the Marine Corps recruiting office, room 46, Federal Building, San Francisco.

According to Major Taylor, chop suey shipped from the Pacific Coast to the fourth regiment of Marines at Shanghai, is preferred by the marines on duty there to the native product. The bulk of the chop suey exports come from Seattle.

Add shipping kraut to Germany and chop suey to China to that old veteran, "Shipping coals to New Castle."

Win Predicted For Hatch And Poole

Predictions that the northern section of San Mateo County would give a landslide vote in favor of Alvin S. Hatch and John W. Poole, candidates for supervisors, were made today by Harold Henderson, Chairman of the Citizens Committee of Daly City.

"Members of our committee have been calling on the voters in the northern section of the county during the past week and we find that the sentiment is so strongly in favor of Alvin Hatch and John W. Poole that we can readily predict a landslide vote for these candidates", stated Henderson.

"According to the reports that we receive from other section of the county we understand that these two men will carry the entire county by the largest majority ever given two candidates for the office of supervisor.

We made an exhaustive and complete investigation of the several candidates who are seeking the post of supervisor and decided to recommend to the voters in the northern section of San Mateo County that they elect Alvin S. Hatch, supervisor for the fourth district and John W. Poole, supervisor for the third district.

These two men have outstanding qualifications. They received many more votes than their nearest opponents at the Primary election, which showed the confidence that the citizens of this county have in their ability to serve in this important county office.

Lesson Sermon Of Christian Science

In all Christian Science Churches, branches of The Mother Church, The First Church of Christ Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, November 1, on the subject "Everlasting Punishment."

The Golden Text will be :"Abhor that which is evil; cleave to that which is good" (Romans 12: 9). Bible selections will include the following passage from Isaiah 1: 18, 19: "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. If ye be willing and obedient, ye shall eat the good of the land."

Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which read as follows: "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. . . . Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good" (pp. 571, 201).

Balboa Ward Fete At Members Home

The genealogy group of the Balboa Ward were delightfully entertained at a garden party on Friday evening of last week at the home of Mr. and Mrs. Arthur Schellenberg of Brunswick street.

A barbecue pit formed the center of attraction, where a bright fire glowed. Story telling, humorous readings by members and music furnished by the Williams Sisters was the order of the evening's entertainment.

Later there were toasted weenies with all the trimmings.

The guests were Messrs. and Mesdames Carl Gustaveson, T. E. Ricks, John H. Duffner, A. W. Sadler, George W. Felsch, A. EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

"As good as they look," of apples it's said;
They're good for you, too, making pale faces red.

Mrs. John C. Kinsey, 463 Irvington street, Daly City, brought in the delicious recipe for the following:

SCALLOPED APPLES

One-fourth cup butter, two and one-half cups soft bread crumbs, two cups sliced apples, one-half cup sugar, juice of one lemon or one orange with enough water to fill one cup, grated rind of orange or lemon.

Melt butter and mix thoroughly with crumbs, rind and sugar. Arrange in alternate layers with apples in buttered baking dish, the last layer being crumbs. Sprinkle with cinnamon and pour water and juice over all. Bake about one hour at 350 degrees. Serve warm or cold with or without cream. This is an exceptionally good dessert and a favorite with all who try it.

WHOLE WHEAT MUFFINS

(From the Farmer's Wife)

One-fourth cup sugar, one and one-half cups whole wheat flour, three-fourths cup white flour, one teaspoon salt, three teaspoons baking powder, one cup milk, one egg (well beaten), three tablespoons melted butter.

Beat egg, add milk and melted butter and to this add the sifted dry ingredients. This recipe makes about eight large muffins; and are they light and fluffy—just try them and see. After greasing well the muffin pans, fit a circle of waxed paper to the bottom of each individual cup and you will have no difficulty in lifting the cakes easily out of the baking receptacle when done.

Set the oven about 400 degrees and bake about 25 minutes, or until nicely browned.

Muffins would "make a hit" if served with a Sunday night lunch along with jelly or jam.

GRATEFUL NATION TO RE-ELECT PRESIDENT

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

Franklin Roosevelt is an artist in words and that helps a lot in such a campaign as the one rapidly coming to a close. Any time he makes a speech his listeners know exactly what he means; he is a clear thinker and a remarkably able speaker. As was said recently by a correspondent who accompanied the President on a tour:

"Franklin D. Roosevelt dictates a speech with great ease and fluency. He can finish up the last phase just as the train is pulling 'into town, grab the manuscript, deliver the address with a few inspired last-minute interpolations, g r a b the rattler again, do another half dozen talks, and wake up next morning bright and eager for the sound of the bell indicating the beginning of the next round."

Bringing in the reference to the timekeeper's bell in a boxing contest is an apt one, as the chief executive is essentially a fighter. He likes nothing better than to exchange verbal blows with a supposedly well trained antagonist.

* * *

As the brilliant columnist, Heywood Broun, said not long ago, the silliest charge ever brought against President Roosevelt is the accusation that he would like to do away with the American system and seize dictatorial powers. We agree that's like saying Babe Ruth in his heyday would have been for taking the home run out of baseball.

* * *

The opinion abroad, as in this country, is toward the conclusion that the election may be close. As the experts have it, the President made a larger number of speeches in the last few weeks than originally planned simply because his scouts informed him the speeches were necessary in order to bring about re-election.

Traditionally the incumbent does not campaign, but the situation this time called for a brisk speech making tour by the present occupant of the White House. All the false issues raised by the opposition candidate had to be met and met in various populous centers. Otherwise hundreds of thousands might have voted for Alf Landon under a misapprehension. And the President faced the situation in a forthright manner. He delivered in his customary, clear-cut English, messages to workers, bankers, business men, farmers and other blocs that undoubtedly swung many of them back to his support. Some had been wavering, it must be admitted.

* * *

Significant observation of the condition on the eve of election is expressed by the Manchester Guardian as follows:

"It is understood the bulk of organized labor will vote for Mr. Roosevelt, if only to keep out Mr. Landon, whom they regard, not without reason, as the nominee of 'big business.'

"Mr. Landon, who is a rich, modest, well intentioned gentleman with a creditable record as Governor of Kansas, was chosen as the Republican candidate largely because it was believed that he might swing the Middle Western states which voted solidly for Mr. Roosevelt in the 1932 election, back to the Republican side.

"He has the backing of most of the industrialists and financiers of the East, of a fair number of anti-New Deal Democrats, and of most of the powerful national newspapers, which unrealistically dub Mr. Roosevelt a 'Red.'"

Here in this liberal paper we find the crux of the whole matter. The election will be won by the Democrats if either the farmers of the Middle West and Northwest remain reasonably grateful to President Roosevelt, or, alternatively, if enough of the Eastern industrial states, which are expected in the main to go to Landon, keep their 1932 allegiance to the President.

First Touchdown Scored By Simpson As Jeff High Wins

The Indians finally started to play football when they defeated Bellarmine last Friday, 7-0.

This victory will put the boys in fine spirit for the traditional game with South City today.

The first half was played mostly in mid-field with neither team threatening to score.

The second half started with a bang. Lee returned the kick-off 35 yards to the fifty yard line. Bud Simpson, the hero of the day, made ten yards around left end. On the next play Lee made a first down on Bellarmine's thirty five yard line. Bud Simpson again scooped around left end to the twentyfive yard line and on the next play made 5 yards through center to the twenty yard line. Verducci replaced Lee and made 9 yards through left guard. Simpson on the next play ran around right end to a touchdown behind fine blocking by Wright and Verducci. Dick Ragni made the extra point with a smash through center.

During the fourth quarter our boys almost scored again with Stansbury and Simpson carrying the ball, but the boys were stopped on the one yard line. The gun went off ending the game as Dick Wilson caught a pass after Bellarmine had punted.

The entire team played excellent football. Kendal Van Pelt, Al and Midge Silicani, Wright, Simpson, Rose, captain George Young, Balletto, D. Wilson, Stansbury, Telleria and the rest of the boys were in top form.

Buzzy Wright did an excellent job of blocking, which impressed coach Matthews greatly.

Legion Auxiliary Hold Regular Meet

On Wednesday of last week, Daly City Unit No. 410, American Legion Auxiliary, met in regular session in Legion Hall. Plans were completed for the card party to be held tonight in the Hall of San Diego avenue, at 8:30. Mrs. Ann Welsh will act as chairman. Eight new members were initiated into the auxiliary by the officers of the unit. Those inducted into the order were Mesdames Emily Keefer, Evelyn Ross, Vivien Pahlka, Bertha Miller, and Misses Earlyn Barker, Norma Barker, Hazel Anderson and Evelyn Ross.

At the meeting of the Twenty-sixth District, which was held in Daly City Legion Hall on October 9 a beautiful bell gavel was presented to the unit for attaining their membership quota first in the district. A compact with the auxiliary emblem was presented to Alice Beilly, who worked so hard on membership.

On Thursday of last week the sewing group met at the home of Mrs. Lottie Chapman on Bruno avenue. December 12 was set as the date for the Country Fair. The committee is planning a bigger and more complete fair this year. The junior girls will sell for-get-me-nots for the disabled veterans on November 11.

Remember the turkey whist in Legion Hall, tonight, October 30. Ann Welsh promises her usual snappy game.

Stripped of its "WHISKERS"

PROPOSITION #22 IS A TAX ON YOU!

You must *defeat* it or *pay* it—in HIGHER PRICES ON FOOD AND OTHER NECESSITIES

There is a "joker" in Proposition 22 on your November ballot!

Called a "Retail Store License," it looks innocent enough. But stripped of its disguise, it is a Tax *that will have to be passed on to you in higher prices.*

It provides that chain stores selling food and other necessities will be taxed $500.00 a year for each store over nine. Individual stores will pay only $1.00 a year—or one five-hundredth as much.

BUT...

...says the U. S. Federal Trade Commission:

"If the ability to undersell, based on greater efficiency or on elimination of credit and delivery cost, is destroyed by taxation, it is the consuming public which will really pay the tax and not the chain."

BECAUSE...

...as the Harvard (University) Bureau of Business Research discovered in studying 32,998 chain stores...chain stores operate on a small profit. They eliminate middleman's profits and unnecessary in-between expenses. The savings they make by operating efficiently are passed on to you in *prices 10% below the average.*

Four out of five chain stores do not make enough profit to cover the tax. Thus some of them will be forced out of business—*allowing their competitors to raise prices.*

Surviving chains will be forced to raise their prices to pay the tax.

Either way, you will foot the bill.

Remember, this tax is admittedly *not for revenue purposes.* It is cleverly camouflaged subsidy for the middleman and wasteful business methods—*at your expense.*

If you think that chain store competition helps to keep *all* prices in line with your pocketbook—if you think that you already PAY ENOUGH TAXES ON FOODS AND OTHER NECESSITIES, *vote NO and keep prices low.*

For no matter how named...no matter how heavily disguised...*22 is a tax on you...VOTE NO!*

22 IS A TAX ON YOU—VOTE NO!

RETAIL STORE LICENSE Referendum against act of Legislature (Chapter 849, Statutes 1935) requiring every person or organization owning, operating or controlling one or more stores, wherein merchandise is sold at retail, obtain annual State license; prescribing fifty cents application fee for each store and one dollar license fee for one store, increasing license fee progressively for second and additional stores to five hundred dollars for each store over nine; excepts filling stations, ice distributing establishments, restaurant facilities of common carriers, newspaper offices, stores wherein sales are incidental to rendering personal service, theatres and motion picture houses.	**22**	YES

Parkman Expects A Record Vote Tuesday

When he comes to the polls in the general election on November 3, State Senator Harry L. Parkman is assured a record vote.

It will be remembered that Senator Parkman easily won the Republican and Democratic nominations last August. It will also be rememberd, however, that not being of a Socialistic inclination the Senator failed to file on the Socialist ticket. Now he is compelled to meet a Socialist in the run off for his office. The great majority of people see this merely as a matter of form, knowing that Senator Parkman has served San Mateo County ably and well for the past ten years.

Senator Parkman went to the State Legislature first, where he served as this county's assemblyman.

Later, when San Mateo County was assigned a senator of its own, Parkman was promoted to fill that berth. During the ten years he has been in the State Legislature, Senator Parkman has been active in every interest looking to the welfare of this county. Roads and highways have been his pet projects and no county in the state has fared better.

PAPOOSES SCORE FIRST VICTORY

Jefferson's Frosh-Soph team defeated Half Moon Bay's first string varsity 7-6, at the home field, Thursday of last week.

Jefferson scored the first touchdown of the game during the first quarter. Captain Johnny Verducci faded back and shot a long pass to Bob Lee, who ran 30 yards to the touchdown. Bob Maroni plowed through center for the extra point. The first quarter ended in Jefferson's favor.

At the start of the second quarter, Half Moon Bay used a dead man play, which brought the ball down to Jefferson's ten yard stripe. On third down Peters scored on a fake spinner. Try for conversion failed. The half anded 7-6.

In the last stages of the game Jefferson attempted a field goal from its own twenty yard line, and was unsuccessful. Lee's kick was wide.

The game ended shortly afterward as a Half Moon Bay pass was intercepted by Jefferson.

Outstanding linemen for Jefferson were Colombini, Epidemnio and Al Doyle.

Verducci, Maroni and Lee, all varsity men, were used in this game, because the Frosh-Sophs were playing against a varsity team.

BUDDA VISITS JEFF UNION HIGH

The special guest of last Friday's amateur hour at Jefferson High School was Budda, KFRC radio personality. He has been connected with the field of radio for nine years, and gave some very interesting information concerning it. Television, he said, is definitely on its way, but will not be perfected for another five or ten years. When asked to explain how eastern programs reach the coast, he said that this is done by means of transmission over telephone wires from one large city to another until the program finally reaches the westren cities.

Aldo Alberici was master of ceremonies. Gardner Girdler, accompanied at the piano by Ruth Morris, sang "Water Under the Bridge"; the second contestant, Bob Dalrymple, played a polka as a trombone solo; Gerald Phillips rendered "When Did You Leave Heaven"; the Crawford sisters, Fern and Ruth, sang a duet, "Rendezvous With a Dream", accompanied by Margaret Grierson. The fifth contestant was Mary Yonan, who sang 'Indian Love Call'. The last contestants were the members of a three piece orchestra, Beverly Bright at the piano; Dolly Allen, saxophone and vocal; and Bill Kelly, drums. They played and Dolly sang "Did I Remember" and "Goody, Goody."

The three judges which were selected by Budda were Jean Le Moine, George Balletto, and Karin Anderson. The winner will be announced later, and this fortunate student will represent Jefferson on Budda's program.
